BlackBerry™

BlackBerry 7130e™

Features	Benefits	Specifications

PHONE

Features	Benefits
Sleek and lightweight design	Stay connected without excess bulk or weight
Built-in speakerphone	Allows hands-free dialog and convenient conference calls with excellent sound quality
Bluetooth®-enabled	Allows hands-free phone calls via headsets and car kits
Polyphonic ring tones	Assign unique ring tones to contacts and personalize your BlackBerry 7130e
CDMA 2000 1X Ev-DO* / Dual-Band support	Broadband boosts data speeds for browsing and applications. It also enables the BlackBerry 7130e tethered modem capability, which lets you use the device as a wireless modem for your laptop or PC.
Exceptional battery life	Over 3 hours talk time and 8 days in standby mode**
Large, dedicated "Send" and "End" keys	Makes placing calls with one hand fast and simple

EMAIL and SMS

Features	Benefits
Push technology	Receive your email without effort. Messages are delivered automatically to the BlackBerry 7130e.
SureType keyboard technology with QWERTY style layout	Type messages easily and accurately with the familiar QWERTY style keyboard and intuitive software that "learns" as you use it
Integration of email accounts	Provides wireless access for up to 10 supported business and/or personal email accounts
Create a separate BlackBerry® email address	Provide your BlackBerry 7130e with a new and unique email address in addition to supporting existing email accounts
Send and receive text messages	Allows for communication with other SMS-enabled devices
View attachments	Open and view popular document and graphic attachments on the go

ORGANIZER

Features	Benefits
Address book, calendar, memo pad and task list	Stay on top of your day – wherever it takes you
Integrated address book	Quick access to contact information – email, SMS and phone directly from one centralized address book
Desktop synchronization	Synchronizing information including calendar, address book, tasks and memos allows you to keep on track

BROWSER

Features	Benefits
HTML browsing	Delivers a dynamic, highly responsive experience
Large, bright, high-resolution, color LCD screen	Read email and view graphics and information easily. Optimized for both indoor and outdoor viewing
Thumb-operated trackwheel	Scroll through web pages with ease
Bookmarks	Save bookmarks for one-click access to your favorite sites
Convenience key	Easy, one-touch access to browser
